

BuildingLink is coming!

We are excited to advise you that in a few weeks we will be introducing **BuildingLink**, a new online service to Big Six Towers!

The service will allow you to communicate with Management using your laptop, tablet or smartphone via the BuildingLink site, or through the BuildingLink app for iOS and Android for heating issues and notices.

Some of the features it will offer you are:

Heating
Issues

Bulletin
Board

Notices and
Documents

In order for BuildingLink to work best for you, we need your updated contact information which includes your preferred email. This will not be used for any solicitations, spam, etc. and will be accessed only by building staff and the BuildingLink program as needed.

You will also have the option to suspend receiving notifications from the BuildingLink system if you so choose, although we think you will want to be kept up to date on building events that affect you.

Please fill in your name, building #, apartment# and email address, as well as the other information requested below. If you do not have an email address either at home or at work, write "None". Please be sure to give each **adult occupant** their own entry.

Thank you and we look forward to your feedback.
