

September 17th, 2025

Hello,

My name is Octaviana (Tavi) Volk

My husband and I, have been living at Big Six Towers, building 3, since April 2024, when I retired from my professional career.

I was a professional with over 35 years of experience in the financial sector. My career was focused on budgeting, financial analysis, long term planning and successfully managed budgets for bank clients. I have been certified on business accounts, business loans, mortgages, investments and life insurance.

As the Vice President, Financial Service Manager, for a few financial institutions, I had anywhere from 10 to 20 employees under my leadership.

I am very detail oriented, problem solving and known for collaborative approach, skills I hope to use to help the board make informed decisions that benefit all the shareholders.

I believe that transparency in financial matters is crucial to building a strong community.

I can be a thoughtful and dependable board member.

Thank you for your consideration.

Octaviana Volk
