

Hello, respected Friends and Neighbors,

My name is **Syed Ali**, and I am honored to stand before you as a candidate for the **Big 6 Board of Directors**.

Since moving into our community in 2017, I have had the privilege of meeting many wonderful neighbors and forging friendships that I will cherish for a lifetime. These relationships have only deepened my appreciation for the unique spirit of our community — a place I proudly call home.

As a prospective Board member, my primary goal is to serve as a **bridge between your voices and actionable solutions**. I am committed to listening with intention, understanding our shared concerns and aspirations, and working collaboratively to implement meaningful improvements that reflect our collective vision.

To share a bit about my background: I was once a **National Boxing Champion** in my native country of Bangladesh, and I also earned the title of **South Asia runner-up**. Upon arriving in the United States, I transitioned into the hospitality industry and served as a **Manager** at a well-known restaurant near **Columbia University**. That experience instilled in me a deep passion for serving communities and leading with care and diligence.

For many years, I've proudly served as the **Sports Secretary** of the **Bangladesh Society**, helping to unite our community through athletics and cultural events. Additionally, I have had the honor of serving as a **member of the NYPD Auxiliary Police** for the past **22 years**, where I now hold the rank of **Auxiliary Police Captain**. These roles have given me firsthand experience in leadership, safety, and community engagement — qualities I hope to bring to the Big 6 Board.

I am deeply passionate about ensuring that our beloved Big 6 remains not just a **safe and beautiful place to live**, but one where every resident feels heard, respected, and empowered. If elected, I will work hard to make sure your voices are represented, and that we continue to build a stronger, more connected community — one year at a time.

Thank you kindly for your time, your trust, and your consideration.

Warm regards and blessings to all,
Syed Ali
