Dear Shareholders,

Management would like to inform all shareholders that effective **May 1, 2025, Standard Pest Management** will begin providing extermination services at Big Six Towers. This change comes as we transition away from our current provider, **Colony Pest Management**, whose last day of service will be **April 30, 2025**.

Standard Pest Management will operate on the existing schedule: **Thursdays, as well as the first and third Saturday of each month**. We're pleased to share that they come highly recommended, with a strong reputation for reliable, high-quality service. We are confident that this new partnership will bring a thorough, professional approach to pest control throughout Big Six Towers.

This change was made in response to a recent increase in service costs, and we believe this move will maintain service quality while keeping expenses in check.

If you require extermination services, please contact the **Maintenance Department at 718-606-6148** to be added to the extermination list.

For any other questions or concerns, please contact the **Management Office at 718-898-7022**.

Thank you for your attention and continued cooperation.

Sincerely,

Big Six Towers
Management
