Re: **Notice of Upcoming Soil Sampling Activities**

.....

Dear Residents,

As part of the planned Capital Improvement Project at Big Six Towers, we would like to inform you that **preparatory work for upcoming electrical system improvements will begin next week.**

Beginning **Monday, July 13th, 2026, workers will be on-site throughout the property, taking soil samples where future digging and electrical work will take place.** This work is part of the planning and preparation process for the upcoming electrical infrastructure improvements.

- There will be some noise from the equipment used to perform the sampling.
- No access is required inside any of the apartments.
- Work will be isolated to the exterior of the buildings and cellar only.

Work Details:

Location: Throughout the property

Start Date: Monday, July 13, 2026

Duration: Approximately 4 weeks

Working Hours: 8:00 a.m. – 5:00 p.m. Monday through Friday each week.

Please note that residents may see workers walking around the property and marking designated work areas during this time.

We appreciate your cooperation and understanding as we continue these important infrastructure improvements for our community.

Thank you for being a valued member of our community.
