Dear shareholders,

It is with deep sadness that we share the passing of Big Six's very own Kevin Herbe.

As many of you may know, Kevin had been courageously battling cancer. Despite his strength and determination, he has sadly lost that fight. His passing is a tremendous loss to the Big Six community.

You most likely knew Kevin from hearing his voice over the maintenance shop radio, seeing him throughout the complex, or interacting with him during his many years of service. His presence, kindness, and dedication will be remembered by residents, staff, and all who had the privilege of knowing him.

At this time, we do not have details regarding funeral or memorial arrangements. As soon as we receive any information from Kevin's family, we will share it with the community.

We extend our heartfelt condolences to Kevin's family, friends, and loved ones during this difficult time.

Please keep them in your thoughts and prayers.

Sincerely,
Management Office
