MEMORANDUM

To: All Big Six Towers Shareholders
From: Management
Date: April 29, 2024
Re: Power Plant - Engine #6 Testing

Management would like to advise everyone that Engine #6 online testing will occur on Tuesday, April 30th, 2024, at approximately 10:30 AM. During the beginning stages of the testing period, Big Six Towers could potentially experience a minor power interruption. We don't anticipate any significant disruption during the testing period, but we want all shareholders to be aware.

We thank you all for your cooperation and continued patience as we work through getting Engine #6 up and running.
