

Saiful Islam

Dear Big Six Towers Shareholders,

Greetings from Saiful Islam, a 14 years resident of Big Six Towers, I am a US Postal Service Supervisor/ Manager for last 26 years and a former Administrative Judge (Magistrate) from Bangladesh.

Your vote has the power to transform our community for the better. By supporting an experienced candidate, we can create a stronger, more vibrant place to live, work, and raise our families. Together, we can make a difference. Your vote is not just a mark on a ballot, but a commitment to building a brighter future for all.

My primary goal for being a candidate is finding transparency, right now we all in dark when we observe things are happening around us without being informed or involving the shareholders. No one is willing to giving an honest answer including current board members and Management of BST. And yet sheareholder are bearing the cost.

I urge you to cast your vote in favor of me for the upcoming Board of Directors Elections of Big Six Towers. Let's join hands, unite our voices, and build a community we can all be proud of and be accountable and transparent for sheareholders.

Thank you for your consideration and support. 

Sincerely,
Saiful Islam
