Re: **Laundry Room Update Building 5 & 6**

Dear Residents,

We would like to inform you that the delivery of the new laundry machines for your buildings, originally scheduled for **Thursday, November 21, 2024**, has been postponed to **Monday, November 25, 2024** due to unforeseen complications arising from the rainy weather.

The new machines are too large to fit in the elevator, requiring the use of the side stairs to access the basement. Unfortunately, the rainy weather has made these stairs slippery, presenting safety concerns. Out of an abundance of caution, ACES Laundry has decided to reschedule the delivery to ensure the process can be completed safely and effectively.

We understand that this delay may postpone the reopening of your laundry rooms by a couple of days. ACES Laundry will be doing everything possible to expedite the process and make sure your rooms are completed as soon as possible.

If you have any questions or concerns, please do not hesitate to contact management or ACES Laundry.
